Lorena,

Even though the Hot Import Night event has passed (and without any noise enforcement), I still want to know if you have contacted the LAPD Noise Enforcement Team regarding what noise ordinances apply to permitted events. According to the Noise Enforcement team, 115.02 applies to permitted events and violations are a misdemeanor offense. According to the City Attorney, 115.02 applies to noise issues on public property. The events that you pull permits for in this area (Hot Import Nights, Fleet Week, First and Third Thursdays) are in chronic violation of 115.02.

Please let me know what you are going to do to bring all future PBID sponsored events into compliance.
